This Prospectus supersedes and replaces the short form base shelf prospectus of Industrial Alliance dated April 10, 2013.

The specific terms of the Securities in respect of which this Prospectus is being delivered will be set forth in the applicable Prospectus Supplement and may include, where applicable: (i) in the case of the Debt Securities, the specific designation, aggregate principal amount, the currency or the currency unit for which such securities may be purchased, maturity, interest

A Prospectus Supplement may include other specific terms pertaining to the Securities that are not precluded by the parameters described in this Prospectus.

This Prospectus does not qualify for the issuance of Debt Securities in respect of which the payment of principal and/or interest may be determined, in whole or in part, by reference to one or more underlying interests including, for example, an equity or debt security, a statistical measure of economic or financial performance including, but not limited to, any currency, consumer price or mortgage index, or the price or value of one or more commodities, indices or other items, or any other item or formula, or any combination or basket of the foregoing items. For greater certainty, this Prospectus may qualify for the issuance of Debt Securities in respect of which the payment of principal and/or interest may be determined, in whole or in part, by reference to published rates of a central banking authority or one or more financial institutions, such as a prime rate or bankers' acceptance rate, or to recognized market benchmark interest rates such as LIBOR, EURIBOR or a U.S. Federal funds rate.

This Prospectus does not qualify for the issuance of Share Purchase Contracts which would constitute derivatives or hybrid products subject to derivative legislation in Canada, including the Derivatives Act (Québec).

All information permitted under applicable securities laws to be omitted from this Prospectus will be contained in one or more Prospectus Supplements that will be delivered to purchasers together with this Prospectus. Each Prospectus Supplement will be deemed to be incorporated by reference into this Prospectus for the purposes of securities legislation as of the date of such Prospectus Supplement but only for the purposes of the distribution of the Securities to which the Prospectus Supplement pertains.

The Securities may be sold through underwriters or dealers, by Industrial Alliance directly pursuant to applicable statutory exemptions, or through agents designated by Industrial Alliance from time to time. The applicable Prospectus Supplement will identify each underwriter, dealer or agent, as the case may be, engaged in connection with the offering and sale of those Securities, and will also set forth the terms of the offering of such Securities including the net proceeds to Industrial Alliance and, to the extent applicable, any fees payable to the underwriters, dealers or agents. No underwriter or dealer in Canada has been involved in the preparation of this Prospectus or performed any review of the contents of this Prospectus.

In connection with any underwritten offering of Securities, the underwriters may over-allot or effect transactions which stabilize or maintain the market price of the Securities offered at a level above that which might otherwise prevail in the open market. Such transactions, if commenced, may be discontinued at any time. See "Plan of Distribution".

The Debt Securities will be direct unsecured obligations of Industrial Alliance constituting senior or subordinated indebtedness, as identified in the relevant Prospectus Supplement, for the purposes of An Act respecting Insurance

(Québec) (the “Insurance Act”) and will not constitute deposits that are insured under the Canada Deposit Insurance Corporation Act (the “CDIC Act”) or the Deposit Insurance Act (Québec) (the “QDI Act”).

Unless otherwise specified in a Prospectus Supplement, an offering of Securities is subject to approval of certain legal matters on behalf of Industrial Alliance by Norton Rose Fulbright Canada LLP.

INDUSTRIAL ALLIANCE

Industrial Alliance is a capital stock life insurance company resulting from its conversion from a mutual life insurance company into a capital stock life insurance company on February 10, 2000. The mutual life insurance company itself resulted from the amalgamation, in 1987, of Industrial Life Insurance Company, founded in 1905, and Alliance Mutual Life Insurance Company, founded in 1892. In 1996, the mutual life insurance company amalgamated with The Solidarity Life Insurance Company.

On June 11, 2003, Industrial Alliance was continued under Part 1A of the Companies Act (Québec) (the "Companies Act") pursuant to Articles of Continuance. As part of its continuance, Industrial Alliance changed its name to "Industrial Alliance Insurance and Financial Services Inc.", and its French version "Industrielle Alliance, Assurance et services financiers inc.", and reorganized its share capital. On June 30, 2012, Industrial Alliance amalgamated with its subsidiary, Industrial Alliance Pacific Insurance and Financial Services Inc. Industrial Alliance is governed by the Insurance Act, the Business Corporations Act (Québec) (which replaced the Companies Act effective as of February 14, 2011) and An Act respecting Industrial-Alliance, Life Insurance Company (Québec).

Industrial Alliance's head office is located at 1080 Grande Allée West, Québec City, Québec, G1S 1C7.

The fourth largest life and health insurance company in Canada, Industrial Alliance is at the head of a large financial group, which is present in all regions of the country and in the United States. Industrial Alliance is among the largest public companies in Canada.

CONSOLIDATED CAPITALIZATION

There have been no material changes in Industrial Alliance's share or loan capital on a consolidated basis since December 31, 2014, other than the issuance and sale on February 23, 2015 of \$250 million principal amount of 2.64% fixed/floating subordinated debentures due February 23, 2027 and the redemption of Industrial Alliance's outstanding 5.90% Non-Cumulative Class A Preferred Shares Series F with a par value of \$100 million which was effected on March 31, 2015.

DESCRIPTION OF SHARE CAPITAL

The share capital of Industrial Alliance consists of (a) an unlimited number of Common Shares without nominal or par value, (b) 10,000,000 preferred shares with a nominal or par value of \$25 per share, issuable in series (the "Preferred Shares"), and (c) an unlimited number of Class A Preferred Shares without nominal or par value, issuable in series (the "Class A Preferred Shares").

As of April 15, 2015, 101,172,723 Common Shares, 5,000,000 Non-Cumulative Class A Preferred Shares Series B and 10,000,000 Non-Cumulative Class A Preferred Shares Series G were issued and outstanding. In addition, as of April 15, 2015, 10,000,000 Non-Cumulative Class A Preferred Shares Series H were reserved for issuance upon the conversion of the Non-Cumulative Class A Preferred Shares Series G.

The following is a summary of certain rights, privileges, restrictions and conditions attaching to the Class A Preferred Shares and the Common Shares. This summary is qualified in its entirety by the articles of Industrial Alliance. The particular terms and provisions of a series of the Class A Preferred Shares offered pursuant to an accompanying Prospectus Supplement, and the extent to which the general terms and provisions described below may apply thereto, will be described in such Prospectus Supplement.

Description of the Common Shares

Dividends

Subject to the prior rights of the holders of the Class A Preferred Shares, the Preferred Shares and any other shares ranking senior to the Common Shares with respect to payment of dividends, the holders of Common Shares will be entitled to receive dividends as and when declared by the Board of Directors out of moneys properly applicable to the payment of dividends, in such amount and in such forms as the Board of Directors may determine and all dividends which the Board of Directors may declare on the Common Shares will be declared and paid in equal amounts per share on all Common Shares outstanding at the time.

Dissolution

In the event of the liquidation or dissolution of Industrial Alliance, whether voluntary or involuntary, or any other distribution of the assets of Industrial Alliance among its participating policyholders and shareholders for the specific purpose of winding up its affairs, subject to the prior rights of the holders of the Class A Preferred Shares, the Preferred Shares and any other shares ranking senior to the Common Shares with respect to the distribution of assets in the event of

the liquidation or dissolution of Industrial Alliance, the holders of the Common Shares will be entitled to receive the remaining property of Industrial Alliance that pertains to shareholders in equal amounts per share, without preference or priority of one share over another.

Voting rights

The holders of Common Shares will be entitled to receive notice of and to attend all meetings of the shareholders of Industrial Alliance and will have one vote for each Common Share held at all meetings of the shareholders of Industrial Alliance, except for meetings at which only holders of another specified class or series of shares of Industrial Alliance are entitled to vote separately as a class or series.

Notice of meeting

The formalities to be observed with respect to the giving of notice of any such meeting or any adjourned meeting, the quorum required therefore and the conduct thereof will be those required by law and those, if any, prescribed by the by-laws or the administrative resolutions of Industrial Alliance with respect to meetings of shareholders.

Description of the Class A Preferred Shares

Board of Directors' Authority to Issue in One or More Series

The Board of Directors may issue the Class A Preferred Shares in one or more series. Before any shares of a series are issued, the Board of Directors will fix the number of shares that will form the series and, subject to any limitations set out in the articles of Industrial Alliance, the designation of Class A Preferred Shares series, as well as the rights, privileges, restrictions and conditions attaching thereto. Before the issue of any shares of a series of Class A Preferred Shares, the Board of Directors will amend the articles of Industrial Alliance so as to include therein the number and designation as well as the rights, privileges, restrictions and conditions of the series created by the Board of Directors, the whole subject to the authorization of the Autorité des marchés financiers (the "AMF") in accordance with Section 35.2 of the Insurance Act.

Ranking of the Class A Preferred Shares

No rights, privileges, restrictions or conditions attached to a series of Class A Preferred Shares confer on the series a priority in respect of dividends or return of capital over any other series of Class A Preferred Shares.

With respect to priority in the payment of dividends and in the distribution of assets in the event of the liquidation or dissolution of Industrial Alliance, whether voluntary or involuntary, or any other distribution of the assets of Industrial Alliance among its participating policyholders and shareholders for the specific purpose of winding up its affairs, the Class A Preferred Shares: (a) rank equally with the Preferred Shares; and (b) are entitled to a preference over the Common Shares and any other shares ranking junior to the Class A Preferred Shares.

If any cumulative dividends, whether or not declared, or declared non-cumulative dividends or amounts payable on return of capital are not paid in full in respect of any series of Class A Preferred Shares, then the Class A Preferred Shares of all series participate rateably in respect of such dividends in accordance with the sums that would be payable on such shares if all such dividends were declared and paid in full, and in respect of such return of capital in accordance with the sums that would be payable on such return of capital if all sums so payable were paid in full; provided, however, that if there are insufficient assets to satisfy in full all such claims as aforesaid, then the claims of the holders of the Class A Preferred Shares with respect to return of capital will be paid and satisfied first and any assets remaining thereafter will be applied towards the payment and satisfaction of claims in respect of dividends. The Class A Preferred Shares of any series may also be given such other preferences not inconsistent with the rights, privileges, restrictions and conditions attached to the Class A Preferred Shares as a class over the Common Shares and any other shares ranking junior to the Class A Preferred Shares as may be determined in the case of such series of Class A Preferred Shares.

Voting Rights

Except as referred to below or as required by law or as specified in the rights, privileges, restrictions and conditions attached from time to time to any series of Class A Preferred Shares, the holders of the Class A Preferred Shares as a class are not entitled as such to receive notice of, to attend or to vote at any meeting of the shareholders or participating policyholders of Industrial Alliance.

Amendment with Approval of the Holders of Class A Preferred Shares

The rights, privileges, restrictions and conditions attached to the Class A Preferred Shares as a class may be changed or removed but only with the approval of the holders of the Class A Preferred Shares given as specified below.

Approval of the Holders of the Class A Preferred Shares

The approval of the holders of the Class A Preferred Shares to change or remove any right, privilege, restriction or condition attaching to the Class A Preferred Shares as a class or in respect of any other matter requiring the consent of the holders of the Class A Preferred Shares may be given in such manner as may then be required by law, subject to the requirement that such approval be given by resolution passed by the affirmative vote of at least two-thirds ($\frac{2}{3}$) of the votes cast at a meeting of the holders of the Class A Preferred Shares duly called for that purpose at which the holders of at least one-fourth ($\frac{1}{4}$) of the outstanding Class A Preferred Shares are present in person or represented by proxy. If at any such meeting, the holders of at least one-fourth ($\frac{1}{4}$) of the outstanding Class A Preferred Shares are not present in person or represented by proxy within 30 minutes after the time appointed for the meeting, then the meeting will be adjourned to such date not less than 15 days thereafter and to such time and place as may be appointed by the chairman of the meeting. A notice of not less than seven days will be given of the adjourned meeting. At such adjourned meeting the holders of the Class A Preferred Shares present or represented by proxy may transact the business for which the meeting was originally called and a resolution passed thereat by not less than two-thirds ($\frac{2}{3}$) of the votes cast constitutes the approval of the holders of the Class A Preferred Shares referred to above.

The formalities to be observed with respect to the giving of notice of any such meeting or any adjourned meeting and the conduct thereof are those from time to time prescribed by the by-laws of Industrial Alliance or the resolutions passed by the Board of Directors with respect to meetings of shareholders or as required by law. On every poll taken at every meeting of the holders of the Class A Preferred Shares as a class, or at any joint meeting of the holders of two or more series of Class A Preferred Shares, each holder of Class A Preferred Shares entitled to vote thereat has one vote in respect of each Class A Preferred Share held.

DESCRIPTION OF DEBT SECURITIES

The following sets forth certain general terms and provisions of the Debt Securities. The particular terms and provisions of Debt Securities offered pursuant to an accompanying Prospectus Supplement, and the extent to which the general terms and provisions described below may apply to such Debt Securities, will be described in such Prospectus Supplement.

The Debt Securities will be direct unsecured obligations of Industrial Alliance. The Debt Securities will be senior or subordinated indebtedness of Industrial Alliance as described in the relevant Prospectus Supplement. If the Debt Securities are senior indebtedness for the purposes of the Insurance Act, they will rank equally and rateably with all other unsecured indebtedness of Industrial Alliance, from time to time issued and outstanding, which is not subordinated. If the Debt Securities are subordinated indebtedness for the purposes of the Insurance Act, they will rank equally and rateably with all other subordinated indebtedness of Industrial Alliance, from time to time issued and outstanding. In the event of the insolvency or winding-up of Industrial Alliance, the subordinated indebtedness of Industrial Alliance, including the subordinated Debt Securities, will be subordinate in right of payment to all policy liabilities of Industrial Alliance and all other liabilities of Industrial Alliance (including senior indebtedness), except those other liabilities that, by their terms, rank, equally with or are subordinate to such subordinated indebtedness. **The Debt Securities will not constitute deposits that are insured under the CDIC Act or the QDI Act.**

The Debt Securities will be issued under one or more indentures (each, a "Trust Indenture"), in each case between Industrial Alliance and a financial institution to which the Trust and Loan Companies Act (Canada) applies or a financial

institution organized under the laws of any province of Canada and authorized to carry on business as a trustee (each, a "Trustee"). The statements made hereunder relating to any Trust Indenture and the Debt Securities to be issued thereunder are summaries of certain anticipated provisions thereof and do not purport to be complete and are subject to, and are qualified in their entirety by reference to, all provisions of the applicable Trust Indenture.

Each Trust Indenture may provide that Debt Securities may be issued thereunder up to the aggregate principal amount which may be authorized from time to time by Industrial Alliance. Any Prospectus Supplement for Debt Securities supplementing this Prospectus will contain terms and other information with respect to the Debt Securities being offered thereby, which may include the following:

- (i) the designation, aggregate principal amount, authorized denominations and ranking of such Debt Securities;
- (ii) the currency or currency units for which the Debt Securities may be purchased and the currency or currency unit in which the principal and any interest is payable (in either case, if other than Canadian dollars);
- (iii) the percentage of the principal amount at which such Debt Securities will be issued;
- (iv) the date or dates on which such Debt Securities will mature;
- (v) the rate or rates per annum at which such Debt Securities will bear interest (if any), or the method of determination of such rates (if any);
- (vi) the dates on which any such interest will be payable and the record dates for such payments;
- (vii) the place or places where principal, premium and interest will be payable;
- (viii) the Trustee under the Trust Indenture pursuant to which the Debt Securities are to be issued;
- (ix) any redemption term or terms under which such Debt Securities may be defeased;
- (x) whether such Debt Securities are to be issued in registered form, "book-entry only" form, bearer form or in the form of temporary or permanent global securities and the basis of exchange, transfer and ownership thereof;
- (xi) any exchange or conversion terms;
- (xii) any terms relating to the modification, amendment or waiver of any terms of such Debt Securities or the applicable indenture; and
- (xiii) any other specific terms.

Debt Securities may, at the option of Industrial Alliance, be issued in fully registered form, in "book-entry only" form or may be uncertificated. Debt Securities in registered form will be exchangeable for other Debt Securities of the same series and tenor, registered in the same name, for a like aggregate principal amount in authorized denominations and will be transferable at any time or from time to time at the corporate trust office of the Trustee for such Debt Securities. No charge will be made to the holder for any such exchange or transfer except for any tax or government charge incidental thereto.

Debt Securities of a single series may be issued at various times with different maturity dates, may bear interest at different rates and may otherwise vary.

Industrial Alliance will summarize in the applicable Prospectus Supplement certain terms of the Debt Securities being offered thereby and the relevant Trust Indenture which Industrial Alliance believes will be most important to an investor's decision to invest in the Debt Securities being offered. It is the Trust Indenture, as supplemented by any applicable supplemental indenture, and not this summary, which defines the rights of a holder of Debt Securities. There may be other provisions in the Trust Indenture which are important to a purchaser of Debt Securities. Such purchaser of Debt Securities should read the Trust Indenture for a full description of the terms of the Debt Securities.

DESCRIPTION OF SUBSCRIPTION RECEIPTS

The following sets forth certain general terms and provisions of the Subscription Receipts. DESCRIPTION OF WARRANTS

The following sets forth certain general terms and provisions of the Warrants.

Industrial Alliance may issue Warrants for the purchase of Debt Securities, Class A Preferred Shares or Common Shares. Warrants may be issued independently or together with Debt Securities, Class A Preferred Shares or Common Shares

offered by any Prospectus Supplement and may be attached to, or separate from, any such offered Securities. Warrants will be issued under one or more warrant agreements between Industrial Alliance and a warrant agent that Industrial Alliance will name in the relevant Prospectus Supplement.

Industrial Alliance has delivered an undertaking to the securities regulatory authority in each of the provinces of Canada that Industrial Alliance will not distribute Warrants that, according to the aforementioned terms as described in the Prospectus Supplement for Warrants supplementing this Prospectus, are “novel” specified derivatives or “long-term” or “stand-alone” warrants within the meaning of Canadian securities rules, separately to any member of the public in Canada unless the offering is in connection with and forms part of the consideration for an acquisition or merger transaction or unless the Prospectus Supplement containing the specific terms of the Warrants to be distributed separately is first approved for filing by or on behalf of the securities commissions or similar regulatory authorities in each of the provinces of Canada where the Warrants will be distributed.

Selected provisions of the Warrants and the warrant agreements are summarized below. This summary is not complete. The statements made in this Prospectus relating to any warrant agreement and Warrants to be issued thereunder are summaries of certain anticipated provisions thereof and are subject to, and are qualified in their entirety by reference to, all provisions of the applicable warrant agreement.

Any Prospectus Supplement for Warrants supplementing this Prospectus will contain the terms and other information with respect to the Warrants being offered thereby, including:

- (i) the designation of the Warrants;
- (ii) the aggregate number of Warrants offered and the offering price;

- (iv) the exercise price of the Warrants;
- (v) the dates or periods during which the Warrants are exercisable;
- (vi) the designation and terms of any securities with which the Warrants are issued;
- (vii) if the Warrants are issued as a unit with another security, the date on and after which the Warrants and the other security will be separately transferable;
- (viii) the currency or currency unit in which the exercise price is denominated;
- (ix) any minimum or maximum amount of Warrants that may be exercised at any one time;
- (x) whether such Warrants will be listed on any securities exchange;
- (xi) any terms, procedures and limitations relating to the transferability, exchange or exercise of the Warrants;
- (xii) any rights, privileges, restrictions and conditions attaching to the Warrants; and

Warrant certificates will be exchangeable for new warrant certificates of different denominations at the office indicated in the applicable Prospectus Supplement. Prior to the exercise of their Warrants, holders of Warrants will not have any of the rights of holders of the securities subject to the Warrants.

Modifications

Industrial Alliance may amend the warrant agreements and the Warrants, without the consent of the holders of the Warrants, to cure any ambiguity, to cure, correct or supplement any defective or inconsistent provision, or in any other manner that will not materially and adversely affect the interests of holders of outstanding Warrants. Other amendment provisions will be as indicated in the applicable Prospectus Supplement.

Enforceability

The warrant agent will act solely as Industrial Alliance's agent. The warrant agent will not have any duty or responsibility if Industrial Alliance defaults under the warrant agreements or the warrant certificates. A Warrant holder may, without the consent of the warrant agent, enforce by appropriate legal action on its own behalf the holder's right to exercise the holder's Warrants.

DESCRIPTION OF SHARE PURCHASE CONTRACTS

The following sets forth certain general terms and provisions of the Share Purchase Contracts. Industrial Alliance may issue Share Purchase Contracts, representing contracts obligating holders to purchase from or sell to Industrial Alliance, and obligating Industrial Alliance to purchase from or sell to the holders, a specified number of Common Shares or Class A Preferred Shares, as applicable, at a future date or dates, and including by way of installments. Industrial Alliance has delivered an undertaking to the securities regulatory authority in each of the provinces of Canada that Industrial Alliance will not distribute Share Purchase Contracts to any member of the public in Canada unless the Prospectus Supplement containing the specific terms of the Share Purchase Contracts to be distributed is first approved for filing by the securities commissions or similar regulatory authorities in each of the provinces of Canada where the Share Purchase Contracts will be distributed.

The price per Common Share or Class A Preferred Share, as applicable, may be fixed at the time the Share Purchase Contracts are issued or may be determined by reference to a specific formula contained in the Share Purchase Contracts. Industrial Alliance may issue Share Purchase Contracts in accordance with applicable laws and in such amounts and in as many distinct series as it may determine.

Any Prospectus Supplement for Share Purchase Contracts supplementing this Prospectus will contain the terms and other information with respect to the Share Purchase Contracts being offered thereby, including:

- (ii) whether the Share Purchase Contracts are to be prepaid or not or paid in installments;
- (iii) any conditions upon which the purchase or sale will be contingent and the consequences if such conditions are not satisfied;

The preceding description and any description of Share Purchase Contracts in the applicable Prospectus Supplement does not purport to be complete and is subject to and is qualified in its entirety by reference to the Share Purchase Contract agreement and, if applicable, collateral arrangements and depository arrangements relating to such Share Purchase Contracts.

Share purchase contract certificates will be exchangeable for new share purchase contract certificates of different denominations at the office indicated in the applicable Prospectus Supplement. In the case of Share Purchase Contracts which obligate the holders to purchase securities from Industrial Alliance, the holders will not have any of the rights of holders of the securities to be purchased pursuant to the Share Purchase Contracts until the completion of the purchase of those securities by the relevant holder in accordance with the terms of the Share Purchase Contract.

DESCRIPTION OF UNITS

The following sets forth certain general terms and provisions of the Units.

Industrial Alliance may issue Units comprised of one or more of the other Securities described in this Prospectus in any combination. Each Unit will be issued so that the holder of the Unit is also the holder of each Security included in the Unit. Thus, the holder of a Unit will have the rights and obligations of a holder of each included Security. The unit agreement under which a Unit is issued may provide that the Securities included in the Unit may not be held or transferred separately, at any time or at any time before a specified date.

The applicable Prospectus Supplement will describe the terms of any Unit. The preceding description and any description of Units in the applicable Prospectus Supplement does not purport to be complete and is subject to and is qualified in its entirety by reference to the unit agreement and, if applicable, collateral arrangements and depository arrangements relating to such Units.

As of the date of this Prospectus, no such written instructions were given to Industrial Alliance and the limitation set forth hereinabove would not restrict a payment of dividends.

Pursuant to these restrictions, no person is permitted to acquire, directly or indirectly, any voting shares of Industrial Alliance (including Common Shares) if the acquisition would cause the person and his associates, within the meaning of Section 49 of the Insurance Act, to hold 10% or more of the voting rights attached to the shares of Industrial Alliance. In addition, Industrial Alliance is not permitted to record any transfer or issue of voting shares of Industrial Alliance (including Common Shares) if the transfer or issue would cause the person and his associates, within the meaning of Section 49 of the Insurance Act, to hold 10% or more of the voting rights attached to the shares of Industrial Alliance. No person who holds 10% or more of the voting rights attaching to the shares of Industrial Alliance together with his associates may exercise any voting rights attached to the shares held by such person.

Any agent involved in the offering and sale of the Securities in respect of which this Prospectus is delivered will be named, and any commissions payable by Industrial Alliance to such agent will be set forth, in the Prospectus Supplement. Unless otherwise indicated in the Prospectus Supplement, any agent would be acting on a best efforts basis for the period of its appointment.

Industrial Alliance may agree to pay the underwriters, dealers or agents a commission for various services relating to the issue and sale of any Securities offered hereby. In connection with any offering of the Securities, the underwriters, dealers or agents may over-allot or effect transactions which stabilize or maintain the market price of the Securities offered at a higher level than that which might exist in the open market. These transactions may be commenced, interrupted or discontinued at any time.

Unless otherwise specified in a Prospectus Supplement, the Securities will not be registered under the United States Securities Act of 1933, as amended or the securities law of any state of the United States of America.
