Type of Premiums	Sales Charge Option	What You Pay	How It Works
Monthly Pre-Authorized Cheque (PAC) Payments	Deferred Sales Charge	Surrender fees are applicable when you surrender any Premiums paid by PAC. The surrender fees are based on the PAC amount that you have committed to pay. They are calculated using a variable formula. These surrender fees are deducted from the amount you surrender and are paid to iA Financial Group.
Additional Premiums	No Sales Charge	There is no initial charge or surrender charge when you invest and if you surrender.	When you invest premiums in the Fund in addition to the PAC payments, iA Financial Group pays a commission of up to 4.2% to your life insurance agent and his/her agency.

ONGOING FUND EXPENSES

The MER includes the management fee and operating expenses of the Fund. It also includes the insurance fee associated with the guarantees.

You don't pay these expenses directly but they will reduce the return on your investment. For details about how the guarantees work, please refer to the Information Folder and the contract.
