World

Summer 2021 is coming to an end and we're seeing a general slowdown of global economic activity. Since the peak observed at the start of summer, all economic surprises worldwide have lost their luster, due to the slowdown from the strong reactions of fiscal and monetary authorities in 2020. Now that economic reopening processes have taken root, we have moved on to a slower cruising speed as shown by the ISM manufacturing index, as shown opposite. While a slowdown is completely normal after the economic performance seen over the last 12 months, the question mark that is the Delta variant causes us to

The benchmark index for each fund is published in the Quarterly Update.

¹ Total net assets of the fund including individual and group contracts.

² The rates of return for the period are non-annualized.

³ Offered only for certain types of contracts.

⁴ Not available in non-registered and TFSA contracts.

⁵ Available in non-registered and TFSA contracts.

⁶ Please refer to the Legal Notices on page 6 for more information about these indexes.

⁷ The frequency of the fund valuation is quarterly. The returns are published in the Quarterly Update.

* Simulation of past returns as if the fund had been in effect for these periods.

Index funds: Simulation of past returns from the return of the index that the fund aims to reproduce.

The above returns are gross returns and do not take into account management and administration fees.

Past performance is not a guarantee of future returns.

Composite indexes (portfolios)							

Each portfolio index is composed of a set of benchmark sub-indexes, listed above. These sub-indexes are linked to the portfolios' underlying funds. The weighting used is equal to the asset allocation of the portfolios' underlying funds. The asset allocation varies periodically. The current allocation appears in the *Your range of investment options* document in My Client Space, our secure website, at ia.ca/myaccount.

¹ Rates of return for the period are non-annualized.

² Please refer to the Legal Notices on page 6 for more information about these indexes.

Some portfolio returns are simulated as if they were in effect during the periods shown above.

The above returns are gross returns and do not take into account management and administration fees.

Past performance is not a guarantee of future returns.
