

COMMUNIQUÉ

To Group Insurance plan administrators
Plan management

Vacation travel checklist

The cold season will probably have many plan members heading for vacation in warmer climates. However, travelling to the south or anywhere else doesn't just mean bringing the right clothes or not forgetting your passport. Other preparations are also required.

To help plan members who are planning to travel in the coming months, we've put together a [communication](#) with a few tips to follow before leaving as well as a short summary of the travel insurance coverage offered by iA Financial Group.

See the [French version](#) of this communication.

If you have any questions, please feel free to contact your iA Financial Group Advisor or iA Financial Group Account Executive.

You, as the plan administrator, have an important role to play in informing your plan members about their group insurance plan. We also look to your support to give them all explanatory and administrative documents upon enrolment or upon request. We will help you show them where they can consult this documentation if it is not available in hard copy. If you have any questions, please feel free to consult your administrator's guide or to contact your local Account Executive or Client Relationship Manager.

This communiqué and past publications are also available on our website [ja.ca](#).
