

Photo Guidelines

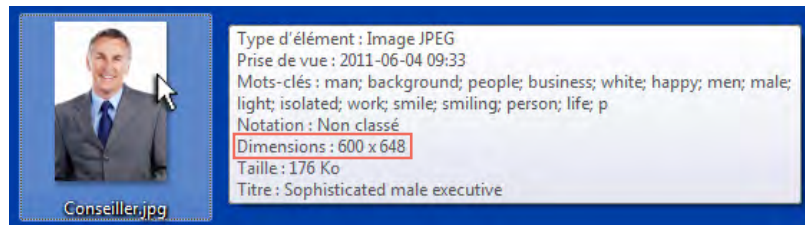

Acceptable photo:

Please respect the following criteria when sending your professional photo for publication on your personalized web page and in the client portal.

- 1 – Must be the same size as a passport photo
- 2 – **Minimum of 600 pixels for the web page and 100 pixels for the client portal**

To make sure your photo respects the size requirement, place the cursor on your photo but do not click. An explanation box will indicate the photo's dimensions (width x height).

Unacceptable photos:

Entire face not visible

Non-professional attire

Background not white or light-coloured solid

- 3 – Photo in .jpeg, .png, .gif or .bmp format
- 4 – In colour, ideally
- 5 – White or very light-coloured solid background
- 6 – Frame must include entire face and shoulders
- 7 – Attire: suit for men, very professional attire (covered shoulders) for women

We reserve the right to refuse any photo that does not meet the above criteria.

Thank you for your cooperation!

To add or replace the photo on your personalized web page and/or in the client portal, please send the new photo to investia@investia.ca.
