Last reminder – The 2022 list of medical and dental care expenses is available

With the arrival of spring, you are reminded that the preparation of your 2022 income tax return is a task you need to take care of as soon as possible.

Good news!

The list of all your medical and dental care expenses incurred by you and your dependents in 2022 is available. It's a practical and essential tool that will greatly facilitate the preparation of your income tax returns.

Here's where to find it:

In My Client Space: under the *Overview* tab in the *2022 INCOME TAX REPORT* inset

In iA Mobile: in the *More* section at the bottom, under *Expense list – Tax return*
