

Communication to plan members

The 2022 list of your medical and dental care expenses available now!

As the year begins, you are reminded that the task of preparing your 2022 income tax returns will soon be upon you.

Good news!

The list of all your medical and dental care expenses incurred by you and your dependents in 2022 is now available. It's a practical and essential tool that will greatly facilitate the preparation of your income tax returns.

Here's where to find it:

In My Client Space: under the Overview tab in the 2022 INCOME TAX REPORT inset

In iA Mobile: in the More section at the bottom, under Expense list – Tax return
