

# Frédéric Leblanc

Strategic Lead, Products and Drug Programs  
Group Benefits and Retirement Solutions  
iA Financial Group

Frédéric Leblanc has served as Strategic Leader, Drug Programs at iA Financial Group since 2019. With his expertise, he plays a key role in drug management strategies for group insurance clients. He actively contributes to strengthening iA Financial Group's position as an industry leader in the optimal management of prescription drug plans.

Frédéric has over 20 years' experience in the pharmaceutical sector. He has worked in drug development, product management and reimbursement, business development and government relations.

A member of the Ordre des pharmaciens du Québec (Quebec Order of Pharmacists), he holds a bachelor's degree in pharmacy and a postgraduate degree in pharmacoeconomics.
