

## Ian Claveau

Director, Annuities and Professional Services  
Group Benefits and Retirement Solutions  
iA Financial Group

A trained actuary and Fellow of the Canadian Institute of Actuaries, **Ian Claveau** has been with iA Financial Group since 2015. He has over 25 years of experience in the retirement savings industry.

He leads the teams responsible for defined benefit pension plans, individual pension plans, the administration of insured annuities and financial agreements. He draws on his extensive knowledge and expertise to support teams responsible for specialized retirement solutions designed to meet the specific needs of clients.

Over the years, Ian has held a variety of key roles in retirement plan consulting, both with iA Financial Group and with actuarial consulting firms.
